3D PRINT REQUEST FORM

To submit a 3-D printing request, please fill out the form below completely and submit your form along with your project file to **3dprint@ssldl.info**. We will contact you if we need any additional information. You will receive an email when your 3-D print job is completed.

PRINTING SPECIFICATIONS

We can print STL/OBJ/AMF/3MF/PRUSA files. File size must be 25MB or less. We do all of our 3-D printing using PLA filament. The cost of printing is $1 per 25 grams of filament rounding up to the next increment. Our Library staff will make two attempts to print your request. We do not charge for unsuccessful prints. We reserve the right to modify your submission to fit the parameters of our printer capabilities.
